Whittier Flotilla 02-04, District 17, Alaska

November 2005 Brad Wells FC, Sig Murphy VFC, Cathey Sterling FSO-PB Volume XV Issue 11

November 5 the incoming Flotilla Commander and Vice Flotilla Commander held a Flotilla Staff Officer meeting. The upcoming budget, public education classes, member training classes were scheduled. A proposed calendar for events and classes will be presented to the flotilla.

Look forward to an exciting new year. Thanks to the Command and Staff Officers for putting their time into this meeting. And Thanks to Mark Poe for donating his office space for the meeting.

"Sanctuary"

"Sota"

Katie asked me if I knew someone had suggested a new name for our boat, which resembles the "Sota," Brad and Linda Wells' 40' Ocean Alexander. It seems a quick-witted fellow Auxiliarist by the name of Mark Poe suggested we call our boat the "Mini-Sota". Needless to say, we all had a few chuckles over that one.

Thanks, Mark

"Mini-Sota"

By Deanna Barbarick, Fellowship

The Friday October 7 fellowship was hosted by Mark and Katie Parmelee and enjoyed by many. Thanks to them for a great evening in their home. An outstanding array of potluck food choices was mixed with lively conversation and punctuated with peals of laughter throughout the evening (mine being one).

I was sitting in a group chatting with Katie Parmelee about various things, including the coincidence of having two boats in the harbor named "Sanctuary" (our 35' 1985 trawler and another boat that recently took up residence in the harbor).
